Matthew.Ferris@Clark.wa.gov
360.397.6180

The Clark County Event Center along with Women in Networking NW (WIN) is inviting networking groups and business professionals from the surrounding area to participate in this returning **MEGA-EVENT**. With over **700** attendees last year, 2012's **NETWORKING EXTRAVAGANZA** promises to be even more **DYNAMIC** this year!

What's the number one way to market your business during these challenging economic times?

The answer: **NETWORKING** and **FACE-to-FACE** marketing.

The **NETWORKING EXTRAVAGANZA** is a fantastic opportunity to make new contacts, meet business leaders, suppliers, vendors and promote your business.

Each participating networking group is provided a skirted table to display brochures and informational material. Each group will also be given the floor for a 60-second presentation.
